

MicroWorld, a provider of real-time anti-virus and content security solutions, has appointed Shani Peripherals as its distributor for Gujarat. With this association, MicroWorld aims at expanding its market reach for its anti-virus and content security solutions in Gujarat.

Anil Gupta, Head (National Sales), MicroWorld, said, "With a decade-long experience of handling premium networking and peripheral brands, Shani possesses the requisite credentials to help expand our reach and market share in this rapidly growing region."

MicroWorld provides a range of real time antivirus and content security software solutions, for desktops and servers, under the brand name eScan. As per the company, its flagship product, eScan 10, provides comprehensive protection against viruses, worms, Trojans, Spyware and other security threats.

"MicroWorld products perfectly complement our vision and goals, and we are happy with our tie-up with MicroWorld for eScan security products. As security market is growing so fast, Shani thought to enter into the security product portfolio, and we are happy to become a master distributor of eScan products in Gujarat region. We have a network of more than 100 SIs, 200 value-added resellers & around 400 resellers across Gujarat," said Kshitij Desai, Director and Founder Member, Shani Peripherals.
